

We are pleased to announce that the Call for Abstracts for the IGU thematic conference “Heritage Geographies: Politics, Uses and Governance of the Past”, to be held in Lecce from 29 May to 2 June 2020, is now open.

The aim of the conference, as the suggested topics demonstrate, is to promote the multiplicity of views and perspectives that animates the geographical debate at international scale, as well as the multidisciplinary attitude that characterizes this debate.
